# Services Buyers Guide Listing

This section is reserved specifically for listing firms who provide **services** to the ocean/marine/offshore market.

615 Appraisal Services	ships (RADAR, gas, etc.)	620 Research & development (equipment and systems)	667 oceanographic surveys, general
601 Cable installation	607 Equipment lease & rental	707 ROV equipment and services	669 pipeline, cable surveys
691 Calibration services	610 Homeland security services	630 Salvage, search & recovery, marine archaeology	666 pollution/environmental studies
704 Communications services	706 Internet marketing services	650 Special services (includes finance, insurance, law, marketing, recruitment, training, weather forecasting, writing, etc.)	670 Testing & evaluation
602 Construction, maintenance, repair, dredging & pipelaying	608 Marine/ocean engineering (includes consultants; naval architects; and coastal, environmental, management, marine, ocean engineering; beach erosion monitoring, etc.)	702 State, regional agencies	612 Underwater photography, video
692 Coring, vibrocoring	609 Manufacturers' representatives	● <b>SURVEY &amp; EXPLORATION SERVICES:</b>	680 Vessels & boats, lease & charter
603 Data processing services	611 Navigation & positioning services	663 geophysical	690 Welding
604 Design/engineering services	703 Oil spill cleanup/recovery	664 hydrographic	700 Other (Services only)
